Safety Form for Tools and Materials

State Fair SkillsUSA Virginia - Masonry Competition

The SkillsUSA Virginia Masonry Competition will involve the use of equipment and materials in completing the task within the competition. It is absolutely necessary that complete operating instructions and safety for the use of equipment and materials have been given to the contestant in their training program in the local school division as stated in the National SkillsUSA Standards before he competes. This includes the proper safety instruction in the use of the tools listed in the scope of the contest and the use of protective equipment while using the tools and materials. Safety glasses are required.

By the affixing of my signature below, I certify that my student, who is entering the Masonry Competition at the State Fair, has had proper operating and safety instruction in the use of the power tools, equipment and materials.
