CTE CAREER SUCCESS STARS

The Office of Career, Technical, and Adult Education is seeking nominations of former CTE students who qualify for recognition as one of the Commonwealth's brightest Career Success Stars. The individual success stories will be featured as video profiles on the VDOE's website, highlighting how CTE programs provide academic and technical skills for postsecondary success.

Nominees should be former CTE students in their 20s and 30s who represent each of the 17 career clusters as well as a U.S. military branch. Once selections are made, individuals will be contacted to schedule an appointment for a photograph and video recording session. Parents of the Career Success Stars nominees may also be interviewed and featured on the VDOE website.

Please complete the [CTE Career Success Stars Nomination](#) form for each former student you wish to nominate.

SKILLSUSA NATIONAL SIGNING DAY
