

UPDATED SkillsUSA Virginia - Number of Eligible Contestants – SLC 2024

Due to a limited number of programs statewide in some trade areas, the SkillsUSA Virginia Board of Directors has recommended that more than one contestant/team per district be allowed to compete in certain contests. The number of contestants/teams allowed is listed below and pertains only to the high school division. The college/postsecondary division may have one contestant/team per district per contest.

Note: Some contests, in italics below, will require the advisor to send an intent to enter form to the SkillsUSA Virginia state advisor before February 20th. Any special contest not requested by that date will not be held at state.
